the expenditure of Rs. 143/ in excess of the sanctioned amount is understandable there is no alternative, but to find the money out of the figure allotment of Rs 30000/.

No 4104-5 / 172 ~~Mysore~~ Bangalore, 8th November 1899

From

H J BHABHA, Esq
Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
General and Revenue Departments

SIR,

With reference to Government order No 2780-1 Ed 97 of the 28th August 1899, I have the honour to inform you that the Superintending Engineer, Western circle now suggests that the dimensions of the room proposed to be added to the present building of the Government Hindustani Boys' School at Chikmagalur may measure 18'X12' instead of 15'X14' as originally designed and that the old rooms may be paved with tiles preference to concrete The two items together will cause an excess of Rs 143/- over the sanctioned amount Rs 668/- Rs 19 being for the additional

room and Rs 124/- for the repairs. I agree with the Superintending Engineer in thinking that the proposed room should be 18' x 12' and the old rooms should be paved with Mangalore tiles. The modified plan and estimate forwarded for my information have been approved by me in anticipation of the sanction of Government. I request therefore that Government may be pleased to sanction the excess of Rs 143/-, provision being made from the supplemental Grant of Rs 17,500/- asked for in my letter No. 3536/144 of the 2nd October 1899.

I have the honour to be,
Sir,
Your most obedient servant,
